The **ADSA Academic Excellence Award** will recognize the efforts of one student and one sonographer. A certificate and monetary award will be presented to the successful recipients.

About The Awards:

Student Award: Any ADSA Student Member who has successfully completed an accredited Alberta Ultrasound Training Program and successfully writes the Vascular ARDMS certification exam in the same year. The 2010 Award will be given to the student with the highest academic mark in the Alberta Provincial Vascular Exam. This award does not require an application.

Post-Graduate Award: Any active ADSA member who has successfully completed an additional ARDMS specialty. The 2010 Award will be based on a random draw from applications received.

Awards will be presented on Saturday, October 2, at the Annual General Meeting in Lacombe, Alberta.

The deadline for application is September 13, 2010. Qualifying applicants must have written their ARDMS exams within the year prior to application deadline date. Send the completed application and a photocopy of your official ARDMS transcript to:
